ACTION TAKEN ON ALLIANCE PLAN.

Corporation Votes to Refer Agreement to Faculty and Alumni.

After the Corporation meeting which was held yesterday afternoon in the Rogers Building, President Pritchett gave out the following statement: At a meeting of the Corporation of the Institute held this afternoon, it was voted to refer the tentative plan for co-operation

with Harvard, to the Faculty for a report as to its educational advantages or disadvantages, and to transmit it also to the Alumni for an expression of their opinion. Sufficient time will be allowed for a full and free expression both on the part of the Faculty and of the Alumni.

SHOW PRIZES AWARDED.

Judges Grant Awards of Both Poster and Score Designs to Same Competitor.

The judges in the Tech Show Poster Competition have selected the design of F. Logan, '06, for the Poster, and a modification of the same design will be used for the score. Since his single design is to be used for both purposes, Logan was awarded the prizes for both the poster and score. The poster is an excellent souvenir, as it is more suggestive of the show than those of previous years have been. A large number of designs were submitted, and were all very good, some showing considerable originality and ability on the part of the designers.

The names of the judges will be withheld, but will be given out to those interested in the matter, if requested. The designs of the competitors will be left at the Cage, where they may be called for.

The management hopes to be able to put the poster on sale in Rogers Corridor, in about two weeks. There are a few posters of past shows left, and those wishing to obtain complete sets should see R. W. Parlin, '07, as soon as possible.

English High School Club.

At the last meeting of Boston English High School Club, the following officers were elected: President, S. J. Killion, '05; Vice-President, W. C. Coffin, '07; Secretary, M. C. Wyner, '08; Treasurer, H. L. Carter, '08; Executive Committee, M. Helpner, '05; C. R. Adams, '05; E. F. Kelley, '08. The next meeting will be today at 1 o'clock, in 22 Rogers. Professor Clifford and Mr. Powers will speak.

M. I. T. Y. M. C. A.

The following men have been elected as officers of Tech Y.M.C.A. for the coming year: President, H. B. Orcutt, '06; Vice President, W. Green, '05; Secretary, D. G. Robbins, '07; Treasurer, W. H. Trask, '06.

INTERCOLLEGIATE NEWS.

Princeton Wins Debate—Dual Track Meet Dates Arranged—Another Record Broken.

The annual Harvard-Princeton debate on March 28 was won by Princeton. The debate was held at the latter college. The question debated was: "Resolved, that the free elective system is the best available plan for the undergraduate course of study." Especial interest was caused by the fact that each team was arguing in favor of the system of the opposing college and against that of its own. Harvard's argument was based upon the latest report of President Eliot, which stated that the free elective system had not accomplished its purpose. Princeton argued that the elective system gave the student greater interest in his own work.

Yale has a yacht club. Races are held from April till July each year, the first one this year being set for April 8. Twenty-one foot dories of uniform dimensions are owned by a number of the club members or by syndicates among them. The races are close and won on merits of sailing. The annual cruise of the club will be held on the date of the Yale-Harvard boat race at New London.

A dinner was given to the Harvard baseball nine on Thursday evening, March 30, by the Athletic Association of Harvard Graduates. The dinner was held at the Westminster Hotel, Copley Square.

It has been announced that the Cornell-Princeton Dual Track Meet will be held at Ithaca, May 6, and the Cornell-Pennsylvania Meet at Philadelphia, May 12.

At the Brookline public baths on March 29, Yale defeated Harvard in water polo, and Harvard defeated Yale in a relay swimming race.

The Yale relay time broke the two-mile indoor relay record in a meet with Cornell on March 25. The time was 7m. 58.2-5s.

SPRING TRAINING BEGUN.

Seventy-five Men Report at Oval. Technology Field Soon to be in Shape. Other Athletic News.

The preliminary training for the Spring Track Meets began on Tuesday. About seventy-five men were at the Oval and each was given some light exercise. Coach Mahan intends to take the men out to the field just as soon as the track can be put into condition. The Oval will also be kept in condition during the spring for all men who wish to exercise there.

Now that the track team training has begun in earnest it is well to consider the needs of the team. At present the weakest points are in the shot put and discus events. Men for the sprints can easily be found but the weight men are rare.

Of last year's team men have been lost by ineligibility and graduation who won for us at Worcester twenty-three points. Boggs in the 100-yd. dash, Haynes in the 120-yd. and 220-yd. hurdles, C. Lang in the 100-yd. dash and broad jump and Captain Curtis in the pole vault and high jump have been lost through graduation. E. H. Lorenz is ineligible.

The only dual track meet which Tech will have this year is that with Amherst on May 13 at Technology Field. Amherst has lost three of her best men who won a total of twenty-two points at Worcester; Taylor, who ran the half and greater mile and won the high jump, Thompson the 100-yd. and 220-yd. man and Beam who ran the mile and two mile.

Amherst, however, has many new men who have already made a record for themselves. Among them are Reed of Holyoke High School, who is a wonderful athlete, and Grant White, who in High School ran the half mile in two minutes.

The M. I. T. Tennis Association has been challenged by both Tufts and Brown to a dual meet this spring. These challenges have both been accepted and the dates alone remain to be fixed. The meets will be held at Medford and Providence respectively, since the Athletic Association has not sufficient funds on hand to construct suitable courts on our own grounds. As heretofore the men to represent Technology will be chosen from among those who made the best showing during the local games held last fall.

The following men have the right to wear the cTc: L. F. Myers, E. H. Lorenz, '05; C. De W. Marcy, '05; D. Adams, '06; G. H. Buckingham, '06; D. J. Clapp, '06; C. H. Ruggles, '06; G. H. Chapman, '07; M. E. MacGregor, '07; W. S. Moore, '07; H. R. Callaway, '08, and B. L. Gimson, '08.

WILLIAM A. NICHOLS, PRINTER, 508 SUMMER ST., REAR

A canvass of the views of our students upon the Merger deal has been suggested. There is no need, for they can hold but one opinion upon a plan which must destroy the identity of Technology.

Every Freshman should attend the Fencing Meet this evening. The Springfield High team is reported to be very strong, and the Freshmen team needs the support of every member of the Freshman Class both financially and vocally.

Those upholders of the alliance proposition who point to the opposition of the younger alumni as being based so exclusively upon sentiment as to be unworthy of consideration, make no reference to the attitude of the older alumni. The alumni of the classes before 1890 are more thoroughly against the alliance than the later graduates.

The Track Team is fortunate in being able to begin out-door practice at such an early date. The

Oval is in excellent condition, and Technology Early Out-door Work. Field will soon be in shape for work. When

the latter is ready the facilities for handling a large number of men will be greater than we have ever had before. With the Spring Meet only a month away, it is none too soon for all men to turn out and endeavor to put their own class in shape to win on April 29th.

The C. E. Society Dinner.

The Civil Engineering Society held its annual dinner last evening at the Copley Square Hotel. There were one hundred members present, besides thirty-five invited guests. The speakers were Dr. Pritchett, Dean Burton, Dean Shaler of Harvard, Prof. Swain and Messrs. Fitzgerald, Manley and Francis.

The *Technique* 1906 forms are finally closed, and a number have already been printed.

COOPER'S SPRING NEEDLE

DERBY UNDERWEAR

FOR MEN OF REFINED TASTE

Is an underwear that appeals to men who wear good things. It is made of a fabric of remarkable elasticity, manufactured on the famous Spring-Needle Machine made by Charles Cooper and patented in nine countries.

The garments made from this fabric are of the finest yarns and their hygienic value is unsurpassed. They always retain their original shape even after the hardest wear. From first to last they maintain that same elegant, silky feel and easy comfortable and natural fit. They are made in two-piece and union suits, and in various sizes, weights and colors.

Be sure to ask your retail dealer for the genuine Cooper Spring-Needle Underwear. If he doesn't keep it refuse to purchase until you have seen our booklet "T" and samples of the Spring-Needle fabric. They are yours on request.

This trade mark is on every garment. Look for and insist upon it, or you will get one of the "other kinds" that is not "just as good."
